### **The One Minute**

I am sure you have heard of Paris Hilton, just as I am sure you have your own opinion of her and what she represents. I don't want to talk about her as such, but what I do want to talk about is something that involves her, and that is in regard to a documentary that has been made about her.

She has agreed to allow it to be aired, If there is one minute cut out of it. How often do we wish we could go back and cut one minute out of our lives, or our day?

Would it only be one minute? It would probably be many, wouldn't it? How many minutes would all those minutes add up to, if we could just cut them out as if they had never happened? Would it be hours, days, weeks, or even years? All of them gone just as if they never happened.

*.....and from Jesus Christ, the faithful witness, the firstborn from the dead and the ruler over the kings of the earth.*

*To him who loved us and washed us from our sins in His own blood, and has made us kings and priests to His God and Father,  
To Him be glory and dominion forever and ever. Amen.*

***Revelation 1:5-6 NKJV***

*Blessed be the God and Father of our Lord Jesus Christ,  
Who has blessed us with every spiritual blessing in the heavenly places in Christ,*

*Just as He chose us in Him before the foundation of the world,  
that we should be holy and without blame before Him in love,  
having predestined us to adoption as sons by Jesus Christ to Himself,*

*by which he made us accepted in the Beloved, In him we have redemption through His blood, the forgiveness of sins according to the riches of His grace.*

**Ephesians 1:3-7 NKJV**

With Jesus we have this ability. Not that we have the power to do it, but God through the blood of Jesus does. He can, He has and He will take all those minutes away – all those things we are ashamed of; all those sins we wish we never committed.... All of them gone, never to be counted against us again.

-With thanks to Sam White for this piece.
